CALACATTA GOLD

[T2] [T3]

Calacatta Gold is a stunning countertop finish that is inspired by the luxurious and timeless beauty of natural Calacatta marble. Its white base is elegantly adorned with subtle yet consistent gray veining that adds depth and character to any space. This finish is perfect for creating a classic and sophisticated look in kitchens and other areas where a touch of elegance is desired. The natural beauty of this finish combined with its durability and versatility make it a popular choice for both residential and commercial projects.

finish 002

PREMIUM WHITE NATURALE

[T2] [T3]

Premium White Naturale is a sophisticated and timeless countertop finish that offers a clean and bright look. The subtle yet constant dark gray streaks running throughout the white surface create a beautiful contrast and make it reminiscent of the finest calacatta marbles. This elegant finish is perfect for modern and traditional spaces alike, providing a refined touch to any interior design project. Its natural beauty and durability make it an excellent choice for high-end residential and commercial applications.

finish 003

VAGLI GOLD

[T2] [T3]

Vagli Gold finish is a luxurious countertop option that exudes sophistication and elegance. Quarried from the finest sources in Italy, the white calacatta marble boasts of intricate, delicate veins that add depth and character to any space. With its gold-tinged highlights, Vagli Gold finish creates a sense of warmth and richness that elevates the overall aesthetic of any room. As a highly sought-after material in the world of interior design, this product has become a popular choice for those who appreciate the beauty of natural stone and its ability to transform a space into a work of art.

finish 004

MACCHIA VECCHIA

[T2] [T3]

Unveil the grandeur of Macchia Vecchia, a porcellanic countertop finish that marries the bold allure of marble with warm, reddish streams flowing on a pristine white canvas. Inspired by the majesty of ancient Italian landscapes, this finish transforms your space into a masterpiece of opulence. Its powerful design captivates the eye and exudes a sense of timeless elegance. Elevate your interior to a realm of unparalleled luxury with Macchia Vecchia, where artistry and nature converge in a symphony of warm sophistication.

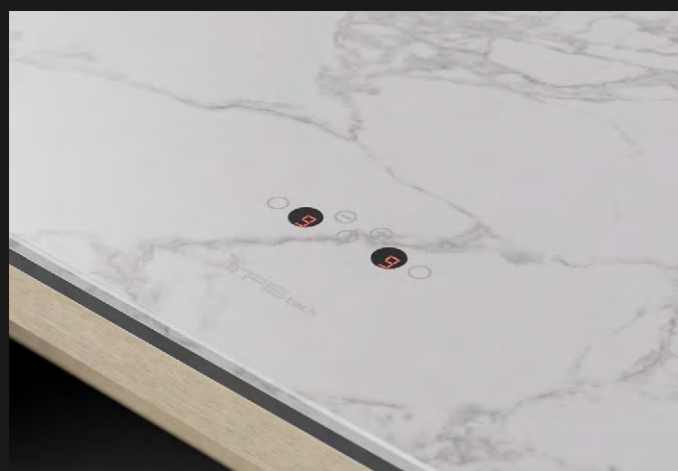

finish 005

TORANO STATUARIO

[T2] [T3]

Introducing Torano Statuario, a porcellanic finish inspired by the Statuario marble, an igneous rock that originates from Italy. The light color and homogeneous greyish veinage with very fine and parallel lines of Statuario marble make it a highly valued and popular material in architecture and building design.

Torano Statuario offers the same natural beauty and mechanical properties as the original marble, but in a more durable and practical form. Its elegant white surface with delicate grey veining is perfect for creating a sophisticated and luxurious look in any space, whether it's a residential or commercial project.

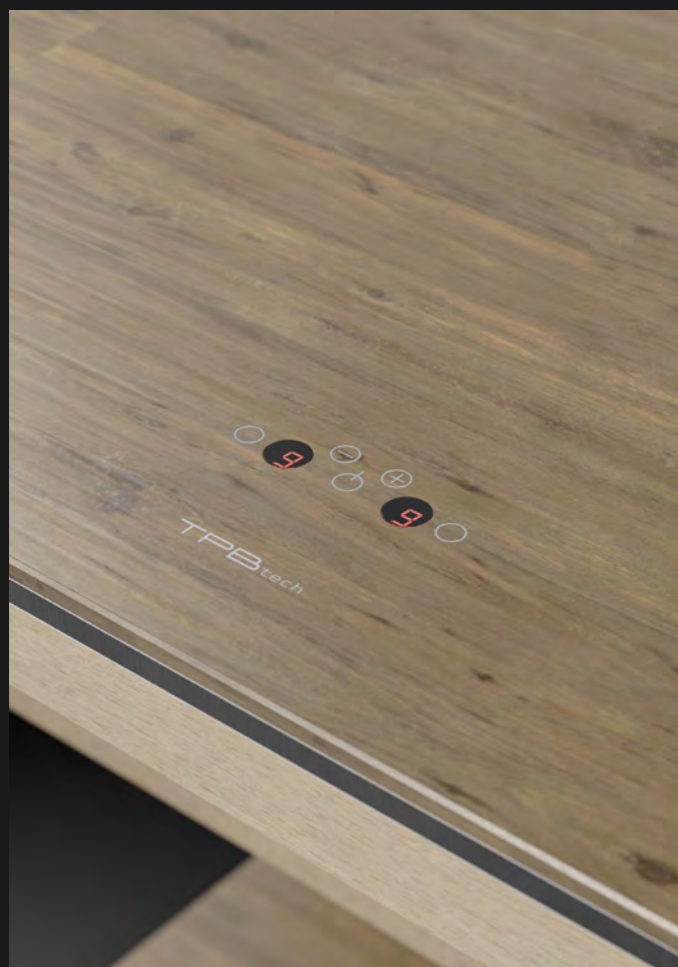

finish 006

GALILEA

[T1]

Introducing Galilea, a porcellanic countertop finish that bathes your space in the gentle glow of sandy shores. Its light sand color evokes the tranquility of a coastal retreat, filling your kitchen or bathroom with a sense of relaxation and serenity. Galilea's subtle elegance and neutral palette create an atmosphere of timeless beauty, making it the perfect canvas for your interior design dreams. Immerse yourself in the soothing embrace of Galilea, where every day feels like a day at the beach.

finish 007

BOREAL UMBER

[T1]

Introducing the Boreal Umber countertop finish, inspired by the beauty of the Boreal Forests that stretch across the northern hemisphere, from Alaska and Canada to Scandinavia and Russia. This unique finish recreates the texture of natural wood, while offering the strength and durability of the latest generation board. With its high-quality graphics, Boreal Umber is able to replicate the exact grains and textures of real wood, making it a highly sought-after material for contract projects.

If you're looking to add a warm and rustic touch to your space, Boreal Umber is the perfect choice. Its natural-looking finish will bring the beauty of the outdoors inside, while its practicality and versatility make it a great option for any project.

finish 008

MOMA RUSTEEL

[T1]

Introducing the stunning Moma Rusteel countertop finish, inspired by the industrial architecture of 1980s New York City and paying tribute to the famous Museum of Modern Art (MOMA).

At TPB Tech, we have crafted this finish to feature a graphic that replicates the rusty steel found in the city's iconic buildings. With its many shades and depths, along with subtle rusty sparkles, this finish is both bold and sophisticated.

Ideal for those seeking an industrial, modern aesthetic, the Moma Rusteel finish is a unique and eye-catching addition to any kitchen.

finish 009

COSMOPOLITAN SILVER

[T1]

As its name suggests, Cosmopolitan Silver is a modern and sleek countertop finish that exudes sophistication and elegance. Its cementitious texture and light silver color make it a highly-valued product by architects, decorators and interior designers who seek balance and sobriety in their designs. This type of finish fosters a feeling of continuity in any space, making it ideal for modern and minimalist home designs. Whether you're looking to update your kitchen or add a touch of contemporary flair to your home, Cosmopolitan Silver is a top choice.

finish 010

COSMOPOLITAN GREY

[T1]

Cosmopolitan Grey is a sophisticated and stylish countertop finish that adds a touch of modernity to any space. Its cementitious finish is highly valued by architects, decorators, and interior designers who prioritize balance and sobriety in their designs. The finish creates a feeling of continuity throughout the space, making it perfect for those who want a seamless look. The grey color of Cosmopolitan Grey is a popular choice for urban and industrial-inspired interior designs in homes. Upgrade your kitchen or workspace with the chic and contemporary look of Cosmopolitan Grey.

finish 011

GRAVEL CALIZA

[T1]

Elevate your living space with the timeless charm of Gravel Caliza porcellanic countertop finish. This earthy, light finish encapsulates the essence of nature's tranquility, infusing your kitchen or bathroom with an inviting warmth. Its natural patterns evoke the soothing presence of limestone, creating a serene and harmonious atmosphere. Bring the beauty of the outdoors inside and experience the serenity of Gravel Caliza every day.

finish 012

GRAVEL ACERO

[T1]

Discover the understated elegance of Gravel Acero porcellanic countertop finish. With a mid-gray hue adorned by small, artful details reminiscent of chips and rocks, it exudes a sense of modern refinement. This finish seamlessly blends tradition and innovation, making it perfect for contemporary spaces seeking a touch of nature's rugged beauty. Transform your home into a haven of style and sophistication with Gravel Acero.

finish 013

GRAVEL ANTRACITA

[T1]

Experience the allure of darkness and depth with Gravel Antracita porcellanic countertop finish, a sophisticated sibling of Gravel Acero. This darker iteration retains the small details resembling chips and rocks but adds a dramatic twist with its charcoal-black hue. It exudes opulence and mystery, creating an ambiance of modern luxury that's impossible to resist. Elevate your interior design with the intense allure of Gravel Antracita, making a statement that's both bold and beautiful.

finish 014

IMPERIA SILVER

[T1]

Introducing the striking Imperia Silver. This unique stone boasts excellent technical properties, making it suitable for both indoor and outdoor applications.

The greyish finish of the Imperia Silver gives it a luminous and spacious feel, adding a touch of elegance to any space. This finish is highly sought after by architects and interior designers for its continuity of each piece and its calm, elegant, and quiet nature.

Despite being almost a single color, Imperia Silver still retains the natural nuances of stone, making it a stunning addition to any kitchen.

finish 015

IMPERIA BLACK

[T1]

This unique stone offers a beautiful salt and pepper effect that makes it an ideal choice for functional work surfaces. Not only does Imperia Black offer excellent technical properties, but its dark finish also adds a touch of sobriety and elegance to any space. This finish is in high demand among architects and interior designers due to the continuity of each piece and its calm, elegant, and quiet nature.

Despite being essentially a single color, Imperia Black features the nuances of natural stone, making it a stunning addition to any kitchen. Its excellent technical properties also make it suitable for both indoor and outdoor applications.

finish 016

CROTONE PULPIS

[T2]

Introducing the stunning Crotone Pulpis countertop finish, a truly unique countertop inspired in a marble that originates from the Castellón de Santa Magdalena de Pulpis quarry in Spain. With its beautiful brown color, fine veins, and golden reflections, this finish is a timeless classic that adapts perfectly to both modern and classic atmospheres.

This trendy color has gained popularity in recent years and has been heavily used in many luxury store projects and exclusive international contract projects. The chromatic variety of this marble finish adds an extra level of sophistication to any space it is used in.

finish 017

PIETRA GREY

[T2]

TPB tech's Pietra Grey finish fuses the majesty of marble with modernity. An elegant palette of deep grays and subtle veining offers timeless sophistication, enriching any space with its distinguished contemporary charm.

Ideal for elegant, understated and majestic spaces, from kitchens to socializing areas, this finish is the perfect choice for those seeking a sophisticated and distinctive style in their surroundings.

finish 018

BELVEDERE BLACK

[T1]

Belvedere Black with its subtle yet elegant white streaks is a stunning countertop finish that is sure to add a touch of sophistication to any kitchen. The white streaks create a beautiful contrast against the overall black, satin surface, adding a unique and eye-catching element to your space. Black countertops are a popular choice for many homeowners, and Belvedere Black is a standout option that takes the classic black finish to the next level. Its subtle white streaks create a sense of depth and texture that elevates the overall aesthetics of your kitchen.

In addition to its stylish appearance, Belvedere Black is a highly practical option. Its durable porcelain stoneware material ensures that it can withstand the wear and tear of daily use, while its non-slip surface makes it a safe option for high traffic areas.

finish 019

BLACK SLATE

[T1]

Black Slate is a bold and beautiful countertop finish that brings a touch of sophistication to any kitchen. Its deep, rich black color and smooth texture create a sleek and modern look that is both practical and stylish. Black countertops are a popular choice for many homeowners, and Black Slate is no exception. Not only does it add a touch of elegance to your kitchen, but it is also highly durable and easy to maintain.

This finish is ideal for those who want a versatile option that can complement a variety of design styles. Whether you prefer a contemporary or traditional look, Black Slate is sure to enhance the overall aesthetics of your kitchen.

finish 020

GRUM BLACK

[T1]

Grum Black is one of the 21 porcellanic countertop finishes available for TPB tech. This particular finish has a purely black color with a satin texture that adds a sleek and sophisticated touch to any space. It is made with high-performance porcelain stoneware material, which makes it highly durable and easy to maintain.

Its non-slip surface and resistance to wear and tear make it perfect for high traffic areas, while its beautiful design makes it an ideal choice for those who want a timeless and modern look.

finish 021

PIETRA SILVER [T2]

Pietra Silver is a stunning stone-like countertop finish that brings a touch of sophistication to any kitchen. Its gunmetal gray, satin surface with subtle yet elegant white streaks creates a beautiful contrast that adds depth and texture to your space.

This finish is perfect for those who want a luxurious and timeless option that can complement a variety of design styles. Its unique stone-like finish creates a sense of elegance and refinement that elevates the overall aesthetics of your kitchen.
